Awards are being presented to students who have distinguished themselves by high standards of work throughout the year; by work of outstanding quality in a particular area; by exceeding expectations through persistent application and endeavour and through responsible and generous efforts for the benefit of the community.

# Our special guest presenting the awards this evening is Mr Johnny Slap.

Johnny has been working as a professional entertainer for over 25 years and has delighted audiences all across the globe. Combining his love of Slapstick comedy, Variety and Circus, Johnny has developed a unique, exciting and hilarious act that appeals to all. From January 2018, he will be running after-school Circus Skills workshops for students at Highlands School, further details will be sent home to parents in due course.

With thanks to our hosts - Mr Paul Manel and Ms Julia Douglas

#### **Professional Role Players Award for Excellence in Performing Arts**

This is awarded to students who have displayed the ability to work well with others and bring out the best in all their performances throughout the year.

#### Frank O'Donoghue Award for Excellent Performance in GCSE Drama

Frank was a student at Highlands, who sadly passed away in 2015. This award celebrates the creative outlet which Drama provides to young people - a vehicle to explore their feelings and emotions and to help try to make sense of an increasingly complicated and pressurised world.

#### Jenny Barnett Memorial Award for Excellence in Musical Theatre

Jenny Barnett was a young woman who loved Drama and Musical Theatre, successful as both an actor, singer and a director. Jenny died from cancer in August 2005, aged only 24. Her mother, Sonja Taylor, Head of Arts Faculty at the time, established this award to recognise outstanding students who, like Jenny, excelled in musical theatre.

#### **Helen Smith Memorial Award for Mathematics**

Helen Smith taught in the Mathematics Faculty from 2001 until her sudden death in 2005. During this time she helped to shape the way Mathematics is taught at Highlands and was of particular support to students with special needs, whether these be of the most or least able mathematicians. This award is dedicated to her memory and aims to recognise a student who has made particularly good progress through their commitment to learning.

#### **Angela Genders Memorial Award for Special Academic Achievement**

Angela Genders was Special Educational Needs Governor at Highlands for several years, who sadly lost her battle with cancer in June 2009. Angela had a huge impact on everyone who knew her, with her enthusiasm and passion for those with special needs. Angela had a special interest in students who faced challenging situations, and a strong belief in access to a stimulating educational environment, within a framework of confidence building and personal empowerment.
