Champions  
believe in  
themselves,  
even when  
no one  
else does.

At last... the sun seems to have arrived and summer fixtures have started.

Last week saw the start of the rounders leagues with success from the junior team and the year 9's

The GCSE students sat both of their theory papers and we wish them every success for results day!

## Rounders Leagues

### Year 7/8

The year 7/8 rounders team started off their Junior season for the borough trophy really well with a comfortable win against Chase year 7's. The girls were strong in the field winning the game before they even batted their second innings. The girls will hopefully demonstrate the same skill level against Latymer Year 8's on Monday. Well done girls!

### Year 9

The year 9's started their quest for the league trophy in style this week with a 14.503 win over Oasis Hadley. After a slow scoring first innings, the girls turned it up a notch in the second with a textbook example of batting and fielding which overwhelmed the visitors. The girls are away to Latymer this week.

## Rounders fixtures

21/5 – JNR v Latymers (A)

23/5 – Y9 v Latymer (A)

24/5 – Y10 v Chase (A)

### Girls U14 Middlesex Football Final

The U14 girls played their Middlesex Cup final at Hendon FC against JFS. The girls dominated the first half with an early goal from Judd. The girls entered the second half 1-0 up with confidence and skill but unfortunately JFS pulled back a late equaliser. After a goal being disallowed, the girls hitting the bar and the post we had to take the cup final to extra time. The girls put JFS on the back foot straight away with a screamer of a 40-yard free kick from Spinoza. Highlands where not finishing the first half of extra time without a flood of goals from Stead and Rawding. At the end of the first half of extra time JFS knew they would not be able to make a comeback to the 4-1 lead, so they decided to walk away from the final with Highlands becoming Middlesex Champions for another year. Well done girls!

### GCSE PE

We say a fond farewell to our year 11 GCSE groups this week. We hope that all of the hard work had paid off and that your results in the summer are what you want and what you deserve. Wishing you all of the luck and happiness in the world!!!

### Year 7 Boys – Enfield football League Final

Well done to the Year 7 boys football team. They won their league and also won the League play-off against Latymer School. The boys went 1-0 down but played their normal technical and passing game to win the game 5-1. Goals from Alex P (3), Michael and William sealed the win. Every member of the 15 man squad got on the pitch and played a part in the victory. The boys also show a great team spirit and sportsmanship.

### Highlands Sporting Hero's

**Name:** Ollie Bierman

**Age:** 14

**Favourite sport:** Football

**Sporting hero:** Jan Vertonghen

**Funniest sporting moment:** On the mini bus before football matches for the school with the team.

**Greatest sporting achievement:** Winning the school football league.
