These awards are given to students who have contributed to the community, either within or outside of school. They are nominated by teachers and/or Head of Year.

#### **Helen Smith Memorial Award for Mathematics**

Helen Smith taught in the Mathematics Faculty from 2001 until she passed away in 2005. During this time she helped to shape the way Mathematics is taught at Highlands and was of particular support to students with special needs, whether these be of the most or least able mathematicians. This award is dedicated to her memory and aims to recognise a student who has made particularly good progress through their commitment to learning.

#### The Professional Role Players Award for Excellence in Performing Arts

This is awarded to a person or persons who have displayed the ability to work well with others and bring out the best in all their performances throughout the year. The Professional Role Player's Award is about more than being a great actor. We look for someone who has, not only, proven themselves on stage, but is also dedicated and conscientious throughout the rehearsal period. The recipient will have developed their skills across drama, dance and music and be a truly 'professional' role player.

#### **Stanley Watson Memorial Award for Community Service**

Stanley Watson was an LEA member of the Governing Body, from the opening of the School in 2000 and made a very valuable contribution to the development of Highlands. Stanley Watson died in May 2004 and his family donated an award in his memory for Community Service, an area close to Stanley's heart.

#### **Governor's Award for Outstanding Academic Achievement**

This award is presented by Highlands School Governing Body and is awarded to the student who has achieved the highest combined academic achievement across the three core subjects; English, Maths and Science.

#### JACK QUANTRILL – HIGHLANDS SCHOOL HEAD BOY

I am currently studying History, English Literature and Geography at A-Level and I am so proud to have been elected Head Boy, and to see my name engraved on the plaque behind you. Hopefully after my final year at Highlands, a school that's presented me with both opportunities in academia and making countless memories, I'll go on to study History with Journalism at a university in London, or even down the coast or up north (although, my mum would much rather I stay at home, something I'm sure the majority of parents hope for too!). After what I hope will be an exciting and successful time at university studying modern History, I intend to dive head first into a career in sports journalism. After realising I am unlikely to ever be England Captain, I concluded that a job presenting "Match of the Day" will do nicely - hopefully in a few years' time you'll see me co-hosting with Alan Shearer!

#### SOPHIE LLEWELLIN – HIGHLANDS SCHOOL HEAD GIRL

I was delighted to be given the opportunity to represent Highlands as Head Girl, and am keen to be a good role model to all of the students, and do what I can to make the Highlands community better than it already is. I am currently studying Geography, English Literature and Spanish A-levels. I recently completed my Psychology A-level, since I was given the opportunity to take it year early starting it in year 11 really sparked my passion in this subject so much that I will hopefully be studying it at university! Success is about a real sense of enthusiasm, persistence and determination to achieve the best that you can – my advice is "don't compete with anyone but yourself".
