

Highlands School

KS4 Achievement Evening

Wednesday 28th November 2018

Awards are being presented to students who have distinguished themselves by high standards of work throughout the year; by work of outstanding quality in a particular area; by exceeding expectations through persistent application and endeavour and through responsible and generous efforts for the benefit of the community.

Determination

Having the confidence to take on new challenges and never giving up whilst learning from our mistakes.

Aspiration

Aiming high: Believing in our own and each other's ability to achieve whatever challenge we set ourselves.

Respect

Working individually and with others to uphold the rules and laws of our community whilst listening to and respecting the views of others.

Equality

Working to protect the rights and opportunities of every member of our community so that we all have a fair chance to participate, succeed and enjoy life

Our special guest presenting the awards this evening is Charlotte Newman

We are delighted to welcome back ex-student Charlotte Newman to present our prizes tonight. Whilst here, she was part of several sports clubs, representing the school in netball, rounders and athletics. She gained 12 GCSEs at grades A/A*. After gaining 3 A levels in History, Politics and Spanish, she went on to study History at Oxford University (St Peter's College). She graduated with a 2:1, and was also awarded a Full Blue in Swimming and a Half-Blue in water polo. Charlotte now works as an Executive Assistant at Hawk-Eye Innovations – a leading innovator in sports technology.

With thanks to our hosts - Ms Vicki Berrill and Ms Louise Exley

Constance Smith

GOVERNORS' AWARD FOR OUTSTANDING ACADEMIC ACHIEVEMENT

Roisin Dundon

GOVERNORS' AWARD FOR OVERALL ACADEMIC EXCELLENCE - GCSE

Caitlin Murray

Liz Harrison Award for Outstanding Achievement in Science

Liz Harrison was a respected and admired member of the Science Faculty. She always put the needs of her pupils at the forefront of her activities and brought out the creativity of the pupils in her Science teaching. Despite a long course of treatment Liz continued teaching until she passed away.

This award is dedicated to her memory and aims to recognise a student for outstanding achievement in Science.

Professional Role Players Award for Excellence in Performing Arts

This is awarded to students who have displayed the ability to work well with others and bring out the best in all their performances throughout the year.

Frank O'Donoghue Award for Excellent Performance in GCSE Drama

Frank was a student at Highlands, who sadly passed away in 2015. This award celebrates the creative outlet which Drama provides to young people - a vehicle to explore their feelings and emotions and to help try to make sense of an increasingly complicated and pressurised world.

Jenny Barnett Memorial Award for Excellence in Musical Theatre

Jenny Barnett was a young woman who loved Drama and Musical Theatre, successful as both an actor, singer and a director. Jenny died from cancer in August 2005, aged only 24. Her mother, Sonja Taylor, Head of Arts Faculty at the time, established this award to recognise outstanding students who, like Jenny, excelled in musical theatre.

Helen Smith Memorial Award for Mathematics

Helen Smith taught in the Mathematics Faculty from 2001 until her sudden death in 2005. During this time she helped to shape the way Mathematics is taught at Highlands and was of particular support to students with special needs, whether these be of the most or least able mathematicians. This award is dedicated to her memory and aims to recognise a student who has made particularly good progress through their commitment to learning.

Angela Genders Memorial Award for Special Academic Achievement

Angela Genders was Special Educational Needs Governor at Highlands for several years, who sadly lost her battle with cancer in June 2009. Angela had a huge impact on everyone who knew her, with her enthusiasm and passion for those with special needs. Angela had a special interest in students who faced challenging situations, and a strong belief in access to a stimulating educational environment, within a framework of confidence building and personal empowerment.

Alf Joyce Rotary Club Award for Services to the Community

The Alf Joyce Rotary Club Award is presented annually by the Southgate Rotary Club, to the student who has made a significant contribution to the local community.

Highlands next school production is

BUGSY MALONE

Tickets are available now on Parentpay
