Diamonds

Highlands
Rihanna

Welcome to the Enfield Music Service Vocal Concert for secondary school pupils.

This evening we are delighted to bring together young singers from secondary schools across the London Borough of Enfield to share their talents with you in performing a varied programme of music. For some of them it will be their first experience of singing solo in a concert and even for some of the more experienced singers, it may be the first time they have performed to an audience outside their own school.

We would like to thank the EMS vocal tutors, school vocal tutors and staff and all parents/carers for supporting our young performers. Finally, our biggest thanks must go to the talented singers themselves!

We hope you enjoy the concert!

We would kindly ask that you turn mobile phones off during the performance please.

Instrumental and vocal lessons are provided by specialist tutors in Enfield schools and at the EMS Saturday Centre.

EMS also offers an extensive programme of after-school musical activities.

Visit www.enfield.gov.uk or call 020 8807 8881 for more information.
