Dear Parent / Carer

Re: School Holiday Community Immunisation Clinic Closures

In light of the present developments concerning the corona virus outbreak, we have found it necessary to cancel the school aged community immunisation clinics planned for Tuesday 7th April and Thursday 16th April at the above location.

The present crisis may continue for a number of months, and we will advise you further when we have more information.

Thank you for your understanding and co-operation.

Yours sincerely,

Ann Rebak
