

7 October 2021

Dear Parents/Carers,

## **DARE Days October 2021**

At Highlands we are committed to providing students with an exceptional standard of education. Part of that education is the learning that takes place in lessons, but part of that education is also the experiences that take place outside the classroom. As Mr McInerney explained in the parent and carer information evenings in September, this year we are launching a programme of whole school trips and activities designed to enhance and enrich the experiences our students have at Highlands. These days are called DARE days and the first two will take place on 21st and 22nd October.

What are DARE days?

DARE days will take place four times a year, two in October and two in June. All lessons and teaching will be suspended and all students and staff will take part in trips or enrichment activities. These activities have been chosen carefully to support the learning in curriculum areas or to support the development of character, teamwork and confidence. We also want them to be fun! All of them will allow our students to demonstrate the values that underpin all our work: determination, aspiration, respect and equality.

What activities will my child do?

In the table below are the activities that we will run this October. There will be a different set of activities in June. Over the course of seven years from year 7-13, students will take part in 28 days of memorable and exciting activities. COVID-19 means that this October the activities will all be based in London and the south of England. From June we plan to add international visits to the programme of events.

Will all students take part in these activities?

Yes. These activities are carefully chosen and are part of our school curriculum. All students will participate and we will provide financial support so no child cannot participate. We will make sure all students with SEN can participate. We are an inclusive school and everyone from students in year 7 to the headteacher will be involved in the trips.

Are all the activities off site?

At key stage three half the year group will normally be on site on the first day whilst the other half go on a trip. On the second day this reverses and students who have been on site go on the trip and students on the trip stay at school for activities. In older year groups there is more likely to be a focus on careers and guidance or UCAS, although some trips will still run.

Is there a cost?

Yes, but we aim to keep costs to a minimum. Please email [visitsandtrips@highlearn.uk](mailto:visitsandtrips@highlearn.uk) for details on how financial support can be provided by the school if required.

Is school uniform required?

Yes, for most activities unless indicated otherwise.

What are the start and end times? Are they different from a normal day?

To stagger the departure of coaches from the site we will adjust the start and finish times for students. Details are given below.

Will school staff be attending and supervising the activities?

Yes, staff will be accompanying students on the trips that are off site. Some activities will be led by staff from the activity centre or by specialist staff visiting the school. Students will be formed into small groups under the supervision of a Highlands School staff member.

#### What should I do next?

- You will receive an email from Evolve asking for your consent, please complete this as soon as possible and no later than Friday 15 October. This is a quick process. Please let us know if you have not received the email from Evolve.
- Payment for the activities is made using [Parentpay](#). Once logged on you will see a DARE day entry. Please make payments by Monday 18 October.

#### Activities for DARE days October 2021 - summary

Students will take part in the two activities below over Thursday 21st and Friday 22nd October 2021.

	Activity 1		Activity 2	
Year 7	<a href="#">Herts Young Mariners</a> Team building	Off site	Dance challenge day Dance	On site

## Year 11 DARE Day Details

### Stubbers Adventure

Is an adventure centre that is near upminster which has over 30 years experience of working with schools.. Their instructors are going to be doing a range of team building and other activities which will include Archery, Climbing Raft building, laser combat.

### The Globe

An English Enrichment Day, which has been tailored by the globe to support our students in their understanding of Macbeth. The key activities that students will be taking part in are:

- practical, interactive workshop exploring aspects of plot and characterisation
- practical, interactive workshop exploring key themes and analysing language
- exploring a range of interpretations to encourage an informed personal response.
