

Highlands School Newsletter

01 March 2024

Dear parents and carers,

This week at school our student leaders led this half term's house assemblies. As the house system has grown and developed over the past year and a half our leaders are playing a more and more prominent role in it. Over 30 students were involved in our assemblies, well done to them all. Some of the students led the LGBT+ parts of the assembly to celebrate LGBT+ week, we also have a special feature newsletter which you can read which celebrates the week. I hope you enjoy it.

Next week is World Book Day at Highlands. We are encouraging all staff to come to school dressed as their favourite characters from fiction or non-fiction books. This dress-up day is staff only, but we have non uniform days for students lined up for later in the school year.

What are you doing on Friday 8th March? If you want to come to school to support our HPFA and the great work they do raising money for the school, please form a team and come to our quiz night. I am the quiz master and it would be great to see as many families there as possible!

Cover for absent staff at school

As is commonly the case at this time of year we have increased levels of staff absence due to sickness and seasonal illness. I am sure that we all remember from our own school days that sometimes when external supply teachers come to school from outside, behaviour can slip and work is not always completed with the usual level of concentration. At Highlands we have put principles and systems in place to make sure lessons are purposeful even when colleagues are absent. These are:

- When final year exams classes need to be covered we try whenever possible to put teachers from the same department with them. Sometimes this means larger groups of students being taught together, for example, Mr Duce sometimes takes his classes and others in the hall to teach them GCSE English together.
- We have permanent members of staff who cover lessons, our cover supervisors; students know these colleagues and they have good relationships with students.
- If there are several classes that need to be covered at the same time we may bring them to the hall to work quietly whilst supervised by a member of the senior leadership team. This means that work can be completed in a calm and purposeful environment.

Compared to many schools we are lucky to be fully staffed. This is because teachers are keen to work at Highlands and they tend to want to stay with us. Some absence due to sickness is inevitable but, by using the principles and systems above, we make sure that students are able to complete work in a calm environment even when their normal teachers are away.

A reminder of important dates for your diaries:

- Friday 8th March: HPFA quiz night
- Wednesday 13th March: year 10 parents' evening
- Wednesday 20th March: year 12 parents' evening
- Thursday 28th March: last day of spring term, students dismissed at midday
- Monday 15th April: start of summer term

Have a great weekend,

Mr McInerney, Headteacher

HPFA Quiz night - One week to go!

Friday 8th March - Quizmaster Mr McInerney!

The HPFA is excited to host a quiz night on Friday 8th March. Our very own headteacher, Mr McInerney will be the quizmaster for the evening!

The evening will no doubt prove to be a fun, family-friendly, competitive event! Tickets are now available on ParentPay, see below for details. Please encourage your friends and families to come along for a fun evening, please note that tables are up to a maximum of 8 people. The HPFA would also be very grateful if you have any donations for the raffle.

House assemblies

This week's house assemblies were nothing short of brilliant, led by our dedicated house captains and strand leads. Students were updated with current competitions and upcoming events. House captains shared their passion and commitment in ensuring their houses were inspired to become house champions this year. Willow were last term's winners, do they have what it takes to be crowned house champions?

LGBT+ History Month 2024

Since 2005 when it was founded, LGBT+ History Month has been celebrated every year in February. This is a chance to celebrate the history and recognise the rights of LGBT+ people.

The 2024 theme celebrates LGBT+ peoples' contribution to the field of medicine and healthcare both historically and today. This week we celebrated LGBT+ History Month during our assemblies. You can read our special feature newsletter on LGBT+ History Month here.

A BIG thank you from Cancer Research

Highlands School has received a wonderful thank you from Cancer Research for the money that was raised through our house competitions.

'Thank you so much for donating £815 from Highlands School in London. We have been informed that the donations are from fundraising that the children raised as part of their bake sale. This is an incredible amount to raise and we are so grateful for this. We would love to send a certificate over so that the children can display this in their classroom or somewhere within the school.

5

Please pass on a massive thank you to all the children. With their support we can continue to start new cancer cures - by backing the brightest minds around the world on their quests to develop better, more effective treatments for cancer. In these uncertain times life-saving research remains at risk and your generosity will bring hope to those in need of vital cancer research.'

You're welcome, The Felix Project!

We are thrilled to receive a letter of thanks from The Felix Project for all of our fundraising efforts to help support such an amazing charity. Raising £615.29 through our house events and competitions has helped The Felix Project distribute 1,784.34 meals to people in need. Well done Rowan house, well done Highlands!

Highlands book of the month - March

KS3: Noughts & Crosses by Malorie Blackman

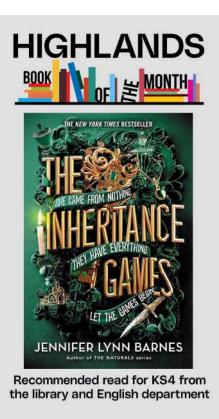

Sephy is a Cross - and the daughter of one of the most powerful, ruthless men in the country.

In their hostile, violent world, noughts and crosses simply don't mix. But when Sephy and Callum's childhood friendship grows into love, they're determined to find a way to be together.

Recommended read for KS3 from the library and English department

KS4: The Inheritance Games by Jennifer Lynn Barnes

She came from nothing. Avery has a plan: keep her head down, work hard for a better future.

Then an eccentric billionaire dies, leaving her almost his entire fortune. And no one, least of all Avery, knows why.

They had everything. Now she must move into the mansion she's inherited. It's filled with secrets and codes, and the old man's surviving relatives - a family hell-bent on discovering why Avery got 'their' money.

Now there's only one rule: winner takes all. Soon she is caught in a deadly game that everyone in this strange family is playing. But just how far will they go to keep their fortune?

Deadline: 4th March

London Mini Marathon

Highlands School has been allocated 50 spaces for our year 7 students to take part in the Mini London Marathon on **Saturday 20th April 2024**.

9

The Mini London Marathon consists of a 1 mile run, jog or walk, following the final stages of the London Marathon course and finishing on The Mall in Westminster.

Every child that completes the event will receive a medal and earn Highlands £10 to be spent on PE and sports equipment for the school. You can find more information about the event on the London Marathon website.

This is not a school trip and parents/carers will be solely responsible for their child.

If you would like to take part please fill in the expression of interest form that was sent home earlier this week.

Students with a space will be contacted during the week commencing 11th March.

Any questions, please speak to Mr Avann.

Year 8/9 Boys football

Highlands 1-0 Edmonton County (goalscorer: Alessandro Rosiello)

Player of the Match = Harrison Willer

On Tuesday, the year 8/9 boys football team travelled to Edmonton County to play their third league game of the season. Coming into the game undefeated this season gave the team the challenge of continuing their great run of results. Despite the game being physical and demanding, a goal in the first half from Alessandro secured a tight 1-0 victory. The next game is at Highlands on Monday against Enfield Grammar.

Matilda prop request

The school show is Matilda Junior and we will be performing the show at The Millfield Theatre on the 3rd, 4th and 5th July 2024.

We are in need of two dolls' prams for the rehearsals and the shows.

Do you have a doll's pram we can use? Preferably one with a hood and carrycot, not a pushchair, open type of pram. We need two. They do not have to be the same.

If you have one we can use for the rehearsal and shows and borrow from as soon as possible until July please email MIss Brown, browna@highlearn.uk.

Thanks!

Miss Brown

Alumni success story

We are thrilled to share the success story of our incredible alumni Ellie Muzzlewhite, who is currently a student paediatric nurse at King's College London with placement in Imperial College Healthcare NHS Trust. Well done Ellie, please continue to make a difference to our NHS and to the lives of children.

Read more about Ellie below.

Year you left Highlands: 2020

Subject of study: Paediatric nursing at King's College London with placement in Imperial College Healthcare NHS Trust

Qualifications: A levels in Biology (A), Chemistry (B) & Psychology (A*), studying for my undergraduate degree (currently in my 2nd year) in Nursing with Registration as a Children's Nurse.

What does a typical day at work look like for you?

As a student nurse, every day is very different! When on placement I can be working for 12.5 hours in the hospital, seeing children of all ages in acutely or chronically unwell conditions. But at university, my day can consist of lectures or skills sessions or study sessions in the library working on my assignments! My days are very busy but I wouldn't want it any other way!

What has been the highlight of your career so far?

Highlands

I absolutely love my degree and I am so proud of everything I have achieved so far! However, the highlight for me must be spotting a child in anaphylaxis whilst studying in the paediatric allergy department. I then administered an EpiPen to the child, effectively saving her life! It really filled me with confidence that I was becoming an increasingly competent nurse!

How has your Highlands experience helped you to get to where you are today?

Highlands gave me the foundation to my knowledge where I then headed onto sixth form and applied this even further. Highlands gave me opportunities to build my confidence and leadership skills, as a prefect which are crucial skills for the line of work I am in now.

If you could give one piece of advice to current Highlands students, what would that be?

Work hard! It's so cliche, but honestly it's so worth it! I am so proud of how far I have come. When I reflect on where I began in year 7 to where I am now, I couldn't be more grateful for pushing myself as hard as I did. Doing a job that fills you with such pride is a feeling you can't describe and I believe everyone should get the opportunity to experience it!

Easter toy appeal

Thank you to everyone who has donated towards our Easter toy appeal so far. We've had hundreds of wonderful donations that will make such a difference to children in need. Please continue to support this cause. The last day to donate is **28th March**.

Year 9 immunisations

EMS summer term Lesson booking information

Parents are now able to renew and book music lessons and activities for summer 2024 from the Music Store.

To ensure parents are kept informed and do not miss the booking window we would be grateful if you could book as soon as possible lessons. The deadline for bookings, lessons and hire is **10th March 2024**.

Important information re School Funded Pupils (FSM, Pupil Premium) and LAC and Adopted Pupils

Any funding forms issued for pupils for the autumn and/or spring terms are still valid for both FSM/PP and LAC/Adopted pupils so you do not need to issue new forms to those pupils.

You can find more information and guidance in our FAQs as well as other resources, guidance and information for schools on The Hub, but please don't hesitate to contact us at enfieldmusicservice@enfield.gov.uk if you have any questions.

Summer term in-school lessons will start week commencing **22nd April** and pupils should receive 10 lessons during the course of the term.

Thank you very much for your continued support.

Help us fund raise for our school

Did you know when you sign up to **easyfundraising.org.uk** and purchase goods from shops on the **website** or **app**, **Highlands School will earn a commission from the sale?**

All you have to do is search for **Highlands School Enfield** and select us as your chosen charity and shop as usual.

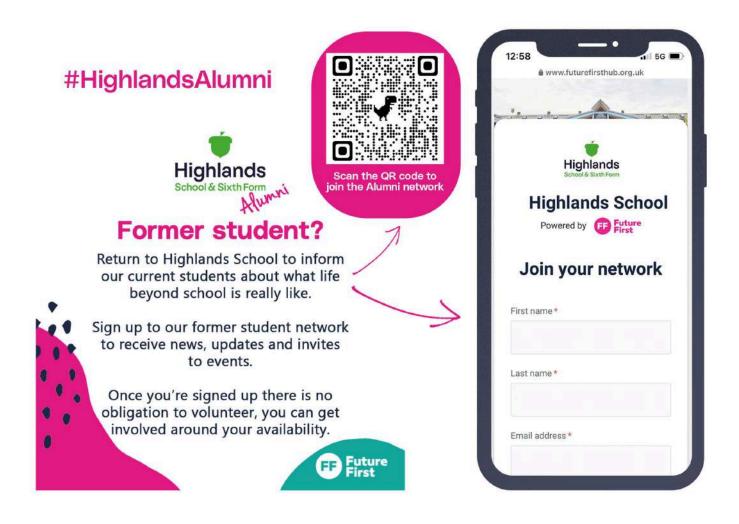

As a school, we want to reconnect with our former students so that we can keep in touch and let them know about volunteering opportunities that will benefit our current students. We want to show them the variety of pathways available to them after leaving Highlands School, and who better to showcase this information, than former students!

We are working with education charity Future First to set this up, and all you need to do to get involved is sign up here: <u>Highlands School Alumni</u> or alternatively scan the QR code below.

More information is on our <u>website</u> and if you have any questions please contact our Alumni Programme Manager at Future First: Tara Human – <u>tara.human@futurefirst.org.uk</u>

Student medical needs

If your child needs to take regular medication in school, please fill out the following <u>Medicines Consent</u> Form to give the school consent to administer medication to your child. All medications that are kept in school must be stored in the medical room. We recently sent out a <u>medical and allergy survey</u> to all parents - thank you to all those who have completed this - if you haven't already done so, please can this be completed as soon as possible so we can update our records.

Mental health

We are continuously working hard to improve our understanding as a community of mental health, to enable us to provide the best possible outcomes for the young people in our lives. If you are ever concerned that your child is at risk due to very poor mental health please inform the school. You can also contact one of these numbers to seek support from a specialist. The Crisis line is there to offer guidance if your child may be having suicidal thoughts and is possibly in immediate danger. If you do ever find yourself in a position where you need to use these resources for your child, please make the school aware so we can provide appropriate support within school for your child.

Safeguarding contacts

If you are concerned about your child's wellbeing or the wellbeing of any other student at Highlands School, please contact the school on 020 8370 1100 or email the DSL at <u>staysafe@highlearn.uk</u>. This email address can also be used for students, parents and carers to share any safeguarding concerns or to request support.

If you are concerned that a child has been harmed or is at risk of being harmed and school cannot be contacted, please contact Enfield Children's Multi-Agency Safeguarding Hub (MASH) on 020 8379 5555, and all the police on 999 straight away.
